

DELIVERABLE 1.5

Unity Steering Committees

Revision 1

Due Date: 01.06.15

Date of submission: 02.07.15

Lead Beneficiary of this deliverable: OPCC

Dissemination Level: PU

Project Title: Unity

Grant Agreement: 653729

Funding Scheme: Research and Innovation action – Safeguarding Secure Society

Duration Time: 36 months

Start date: 01/05/2015

Project funded by the European Commission within the H2020 Framework Programme

The two named steering committees within Uniy are the Scientific and Technical Steering Committee and the Security, Ethics and Confidentiality Committee.

The **Scientific & Technical Steering Committee** (STSC) will define the strategic technical activities of the project. The STSC will maintain overall quality of the scientific and technical work accomplished and verify the overall scientific and technical objectives continually monitoring relevance to the fast-moving context of the research field addressed by Uniy.

The **Security / Ethics and Confidentiality Committee** (SECC) will closely supervise the confidentiality, project integrity and project specific information that Uniy gathers and produces.

Representatives from the following organisations will sit on each of the committees for the duration of the project.
